JACOB ROUNTREE

Rocky Mountain Hypnotic Folk & Indie Rock

At a Glance: Jacob Rountree is a Bozeman-based alternative folk / indie rock artist commonly described as “Hypnotic Folk,” think Bob Dylan’s lyrical fire meeting Pink Floyd’s sonic depth. Multiple-time #1 award winner, festival headliner, and support act for the likes of Future Islands, Marshall Tucker Band, Whitney, Rayland Baxter, Paul Cauthen, and more.

BIO

Commonly described as “Hypnotic Folk” Jacob Rountree brings a love of Quantum Physics and Engineering into the spiritual world of music. With use of enigmatic poetry, ethereal melodies and original approaches to instrumentation, his songs move from intimate, soul-stirring ballads to expansive, danceable rock. Born in New Mexico, raised in Washington, now in Montana, Rountree embodies the attitude of the west as an active pioneer of new soundscapes, forging his own way through Alternative-Folk and Indie-Rock genres.

PERFORMANCE CONFIGURATIONS

Solo – Award winning atmospheric sets with melodic looping & percussive guitar.
Duo – With an added stringed instrument, Jacob backs off the looping for a natural and authentic folky style
Trio – A common touring arrangement, backed by drums and bass.
Full Band – Bluesy Rock, typically 4-piece but can be up to six with added lead guitar, keys and hand percussion.

*Full Tech Rider available for each configuration
